The Conservatory

The Conservatory is the bistro's largest space boasting all round windows looking out onto Falls Park.

This area can host group bookings as part of our regular café operation, or can be hired out completely on arrangement.

Perfect for weddings, family functions or product launches this space offers our widest range of table layouts and design options.

The Rotunda

The Rotunda is part of the Norcross Trust's Heritage Sites and serves as a beautiful wedding area, or bandstand for larger events.

Fully lit and with audio options available, it is the perfect place to be seen by your guests and family.

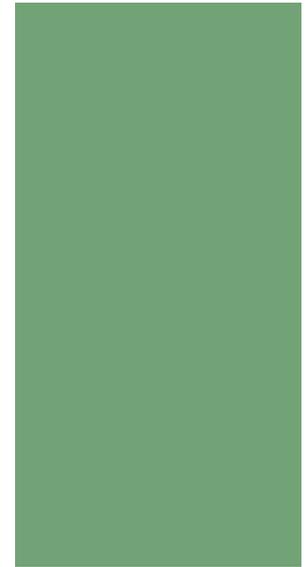

The Patio

The Patio is largely covered, has all day sun and looks directly out onto Falls Park.

With seating capacity of up to 60 and standing room for 120, this is a great spot for summer parties.

Audio, DJ and specialty dining options work particularly well in this space alongside a great canvas for decorations.

Our Spaces

The Bar

Our Bar area is perfect for smaller, more casual events. Perhaps an after work leaving do or Friday lunch event.

This area can host 8-12 people sitting or standing and promotes a drinks and nibbles feel. Choosing from our fabulous Tapas Menu would create a cool and casual celebratory feel.

The Library

The Library is set to open in 2021.

The warm and historic feel to this space, with old leather chairs and reading nooks by the fire, makes this the perfect place to host pre-dinner drinks or perhaps a book launch.

We highly recommend this space to people booking our Dining Room to serve as a pre- and post-dinner area.

Seated dining is not available in this area.

The Dining Room

The Falls Bistro's most intimate space, the Dining Room is opening in 2021.

It will serve as our private dining, for smaller groups of up to 16.

With a more formal feel, this space is perfect for business dinners or special family celebrations.

Get dressed up and enjoy pre- or post-dinner drinks in the library, welcomed by your own private waiter.
